

## **HEALTH NGOS' NETWORK (HENNET) Membership Recommendation Guidelines**

In order to assist the HENNET Board make informed decision regarding membership application, recommending Organizations are requested to address particular key areas of their collaboration with the applicant. The board will particularly be interested in the following information:

1. How long you have known and/or collaborated with the Organization in the course of your work
2. Your relationship with the applying Organization/or its leadership
3. State your particular areas of collaboration/cooperation, essential contributions the Organization has made to the said areas
4. Elaborate reasons why you believe that the applicant is best suited for admission as a HENNET member; kindly include what value you believe the applicant is likely to bring into the Network
